

ASSEMBLY BILL

No. 2250

Introduced by Assembly Members Beth Gaines and Norby

February 24, 2012

An act to add Section 68074.5 to the Education Code, relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 2250, as introduced, Beth Gaines. Public postsecondary education: nonresident tuition: military members.

Existing law establishes the segments of the public postsecondary education system in the state, including the University of California administered by the Regents of the University of California, the California State University administered by the Trustees of the California State University, and the California Community Colleges administered by the Board of Governors of the California Community Colleges. Existing law establishes uniform student residency requirements for purposes of ascertaining the amount of fees to be paid by students at these segments of public postsecondary education.

This bill would require a student, or a spouse of a student, who is an active member of the Armed Forces of the United States, as defined, or the State Military Reserve who has served at least 2 years, or who is a former member Armed Forces of the United States or the State Military Reserve who served for at least 2 years and received a specified discharge, to be exempt from paying nonresident tuition at the California State University and the California Community Colleges, and would request those students to be exempt from paying nonresident tuition at the University of California. By requiring community college districts

to exempt these students from paying nonresident tuition, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
